Short description

With 7 years of experience in broadcasting and a passion for immersive film sound (editing & mixing), I decided to study 3D Audio at HdM Stuttgart. I had the opportunity to learn from audio professionals in the film industry and contributed to several international orchestral recordings.

Qualifications:
MSc in 3D Audio
BA in Audio Production
Avid Certified Pro Tools Post Professional

Services:
5.1 Mixing
Sound Editing
Voice and orchestral rec.

Studio rental:
5.1 mixing studio with Avid S6
Mics
