Short description

With 7 years of experience in broadcasting and a passion for immersive film sound (editing & mixing), I decided to study 3D Audio at HdM Stuttgart. I had the opportunity to learn from audio professionals in the film industry and contributed to several international orchestral recordings.

Qualifications:

MSc in 3D Audio
 BA in Audio Production
 Pro Tools Specialist

Services:

5.1 Mixing
 Sound Editing
 Voice and orchestral recording

Studio rental:

5.1 mixing studio with Avid S6
 Ambient QP
 Neumann & Schoeps mics
