Short description

I am a cinematographer based in Vienna, working internationally. Born in Tokyo in 1997, later grew up in Innsbruck. I graduated from the ZeLIG - School for Documentary Film, Television and New Media in Bolzano (IT) in the course "Camera & Light". Additionally I attended the Friedl Kubelka School for Independent Film in Vienna. I love experimenting and discovering; there is no one right way to tell a story. Collaborating together with fellow cinematographer Tamara Diepold brings me great joy.
