Short description

His name stands for outstanding culinary tradition, his catering company for active spirit with a passion for reinventing food. Karl Telfser is always looking for the exceptional, the authentic, the genuine. For a truly extraordinary food experience. That's why he's keeping close to fellow star chef Alois Haller of the Relais Chateau Castel Fragsburg in Merano. Together they create food of outstanding quality and indisputable excellence within the original flair of any imaginable location, creating the best suitable atmosphere for every single circumstance. Every single function is organized with creativity and impeccably delivered by Karl Telfser and his "selected food team", so that you can enjoy the event and have nothing to worry about.
