Short description

She was born in Bozen. After graduating in literature in Bologna and Paris, she studied dramaturgy and screenplay in Buenos Aires.

With her documentaries exploring the limit between fiction and non fiction she won prices in the Torino Film Festival and in several others, receiving a nomination at the David di Donatello (the Italian Oscars) and a Jury Mention at the Solinas Award (the most important Italian script contest).

She is now developing her first fiction feature film, whose script was one of the ten selected by Berlinale Script Station 2015.

She mostly works as a director, screenwriter and teacher but, since she worked in many independent films, she has experience from assistance to production department.

She fluently speaks Italian, Spanish, German, French and English.
