

Shooting with children and minors

For shootings involving children, a permit must first be obtained from the employment protection office (Ispettorato del lavoro/Arbeitsinspektorat).

The following documents must be provided:

- A request from the production company to employ minors
- Two revenue stamps of 16.00 euros each
- Confirmation of schooling (including during the summer months)
- Consent from both parents
- A copy of a valid piece of ID for both the minor and their parents/legal guardians
- A copy of the employment contract
- The screenplay
- A description of the costume design

The application will be processed within 30 days of submission of the complete set of documents.
