<p>Fourth Installment / Final Installment (Annex B of the applicable criteria):</p>	<p>The final installment of 20% is paid upon positive review of the final cost reporting for the overall expenses incurred for the project.</p> <p>The following documentation must be submitted within 12 months from the first exploitation of the project (unless otherwise specified in the unilateral commitment declaration):</p> <ul style="list-style-type: none"> • Final cost report signed by the producer and all co-producers (detailed comparison of budgeted costs indicated in the unilateral declaration vs. actual costs); • Final cost report with South Tyrol Effect (detailed comparison of budgeted costs indicated in the unilateral declaration vs. actual costs accountable as South Tyrol Effect); • List of invoices for which payment has not yet been made; • Accounting ledger for each cost item (Excel file, list of entries indicating date, document number, recipient/payer, reason); • Accounting ledger for South Tyrol Effect cost item - if not included in the overall cost ledger; • Written report on vacancies exceeding +/-20% between budgeted and actual costs; • Overall financing status (comparison of expected financing indicated in the unilateral declaration vs. actual financing with details of payments to be received); • Evidence of receipts from individual financing components (bank statements); • Contracts with additional financiers/co-producers not originally included in the financing plan; • Indication of any revenue that results in cost reductions (e.g., discounts, sale of props, allowances, product placement, etc...); • Final list of cast and crew including any member eligible for South Tyrol Effect; • Production diaries and agendas for the entire filming period (locations, number of filming days, filming period, people involved, etc...); • Insurance protocol for damages; • Proof of completion of the master copy (e.g., delivery note from the lab); • Proof of deposit of a copy of the project in a national archive (e.g., National Film Archive); • Indication of the duration and format of the indication; • Details of the first exploitation of the project (premiere at a festival, theatrical release, or first broadcast, etc...); • Signed certification letter (provided by the auditor); • Promotional material of the project (at least ten still photos, video or photos from the backstage, poster, trailer, press kit, etc...); • Download link/file of the final work for archiving.

<p>Notes on Reporting Incurred Expenses:</p>	<p>Regarding the final accounting, please note:</p> <ul style="list-style-type: none"> • Article 23 of the Current Application Criteria: to verify the proper implementation of supported works, IDM performs random checks on at least 8% of the projects. For selected projects, a check will be conducted on 100% of the expenses incurred in South Tyrol; • Failure to Meet Projected Production Costs and Financial Plan: There will be a proportional reduction in the financed amount based on the discrepancy between the projected and actual costs. Consequently, the final installment may not be fully paid ; • Exceeding Projected Production Costs and Financial Plan: There will be no retrospective increase in the allocated contribution; • Failure to Achieve Territorial Effect and Filming Days in South Tyrol: A proportional reduction in the allocated contribution will be made based on the discrepancy. Deviations from the guidelines are only allowed for serious and justified reasons; thus, any changes to the information provided in the application, contribution confirmation, and unilateral commitment declaration must be communicated to IDM Film Commission Südtirol immediately and in written form ; • Deviations from Specific Conditions: Deviations from the instructions contained in the application, contribution confirmation, and unilateral commitment declaration must be immediately communicated in written form to IDM Film Commission Südtirol and expressly approved by them. IDM Film Commission Südtirol generally seeks to find a solution to ensure compliance with the specific conditions of the projects; • Only expenses for which a regular invoice/receipt has been issued and that are actually paid can be recognized. Each document must be clearly attributable to the project and, where necessary, must include the CUP (Unique Project Code); • Please keep <u>original receipts and contracts</u> for reference. If requested, copies must be provided to IDM or the external auditing company for random checks; • In the context of the final reporting verification, it may be requested to submit explanatory written material, fill in an expense statement, or provide other written documentation.
<p>Support References (Article 25, paragraphs 1 and 2 of the applicable criteria):</p>	<p>In the opening and closing credits of funded works, reference must be made to the support from IDM, as well as whenever the financial partners of the subsidized work are mentioned in publications, promotional materials, and other communications.</p> <p><i>To receive the usage manual and the logo package, please contact the fund representatives directly.</i></p>
<p>Screening in South Tyrol (Article 25, paragraph 3 and Article 26, paragraph 4 of the current funding criteria):</p>	<ul style="list-style-type: none"> • For feature films, it is mandatory to organize at least one screening of the film project in South Tyrol with the presence of the director and at least one of the main actors; • The release of all funded projects within the framework of short film production support must take place in a country of the European Economic Area within a maximum of 30 months from the date of confirmation of the grant.
<p>Legal Information:</p>	<ul style="list-style-type: none"> • The number of projects eligible for funding depends on the availability of funds from IDM Film Commission Südtirol for the current year. There is no entitlement to receive funds that remain available at the end of the year. Furthermore, it is not possible to request an increase in already granted contributions; • In general, IDM reserves the right not to grant the full amount of the requested funding; • The decision to approve or reject is an administrative act against which an appeal can be filed within the deadlines prescribed by law. The deadlines are indicated in the confirmation or rejection communication of the application; • In the case of false statements or omission of required information, the application will be rejected or, if a contribution has already been granted, it will be immediately

	<p>revoked, and the beneficiary will be required to return the improperly received amount;</p> <ul style="list-style-type: none">• In case of interruption of the project, regardless of the cause, the producer(s) will be held responsible. IDM may demand the return of the entire contribution;• The beneficiary is responsible for the granted contribution. In the case of co-productions, co-producers may be required to jointly assume responsibility;• Please note that there is no entitled right to the granting of the contribution.
